

Items List

This box should contain 10 items. Please make sure that they are all back in here at the end of the lab:

1. Red laser
2. Green laser
3. Clamp for holding the Laser
4. Ruler
5. Linear Diffraction Grating 500 Lines/mm
6. Linear Diffraction Grating 1000 Lines/mm
7. Interference and Diffraction Set (glass plate with slits)
8. Wooden Stand for Interference and Diffraction Set
9. Two green electrical wire strips to help hold the diffraction grating
10. You need to also use a white board for a screen and a stand to clamp the laser to.
