

Items List

Newton's 2nd Law

This box should contain only 5 items (not counting the individual hanging masses). Please make sure that they are all back in here at the end of the lab:

1. One dynamic cart with an attached string
2. One metallic bar to place over the dynamic cart
3. Dynamic cart track to get and return later to the shelf at the front of the room
4. A Pasco smart pulley
5. Pulley Clamp
6. A set of hanging masses (from 50 g to 1000 g – 9 total)
