

# Items List

**This box should contain only 17 items (including what is in the vial). Please make sure that they are all back in here at the end of the lab:**

1. A three pole switch.
2. Four resistors of two different values in a vial
3. Two capacitors with one of them masked in a vial
4. Four connecting wires with banana jacks
5. Three alligator clip attachments
6. A bread board with two short connecting wires.
