Items List

This box should contain only 17 items (including what is in the vial). Please make sure that they are all back in here at the end of the lab:

- 1. A three pole switch.
- 2. Four resistors of two different values in a vial
- 3. Two capacitors with one of them masked in a vial
- 4. Four connecting wires with banana jacks
- 5. Three alligator clip attachments
- 6. A bread board with two short connecting wires.
